Chennai, India | +91 86082 09543

OBJECTIVE

To leverage my on-growing skill of Web development towards contributing software development team by delivering high-quality and dynamic code, thereby mutually growing and experiencing the world of tech stack and to secure a challenging and upskilling role in my programming career.

EDUCATION

B.Tech Information Technology	2020 - 2024
Saveetha Engineering College	
12th Standard (computer science, math)	2019 - 2020
Good Shepherd Model school CBSE Board	
10th Standard	2017 - 2018
Good Shepherd Model school CBSE Board	

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, C, SQL.

Tools: Git/GitHub, MongoDB, MySQL, Figma, Illustrator

ACHIEVEMENTS

1. Created Poster for The National Level Inter College Technical and Management Fest-DRESTEIN.
2. Coordinated My team for The National Level Inter College Technical and Management Fest-DRESTEIN

PROJECTS

Spotify Clone [Site](#) 

A web application replicating key features of Spotify, including music search, playback, playlists, and user authentication, built using modern frontend technologies to enhance coding and design skills. [Source](#) 

Exploring OpenCV for an OCR-Enhanced Virtual Sketchpad

The "Virtual Sketchpad" project demonstrates a modern approach to digital painting by harnessing OpenCV's real-time gesture recognition capabilities within computer vision. This technology allows users to create digital artwork by sketching in the air using their hands or other pointing devices, replacing traditional touch interfaces. [Source](#) 

WORKSHOPS

Data Analysis using Google Big Cyber Security and Ethical Query and Ethical Hacking
Saveetha Engineering College | October 2021
Cyber Security and Ethical Hacking | Saveetha Engineering College | November 2022

CERTIFICATES

Essential of Cloud Computing | Infosys Springboard | October 2022 | [docs](#)

JavaScript | Sololearn | November 2021 | [docs](#)

INTEREST AND HOBBIES

Listening to Podcasts of Non-Fiction Book (Self-Help, Human Psychology)
Long Term Investment in Stock Market.
Adobe After effects (Editing and VFX effects)

LANGUAGES

English (Read, write, speak, listen)

Hindi (speak, listen)

Tamil (Read, write, speak, listen)
